Really quick and easy earrings, made from some old Early Learning Centre (ELC) Green Alien toys. Made by my 7 year old daughter for her mums birthday. This is a lovely way to Upcycle old toys as a gift and also captures wonderful memories from the past, forever.

Materials & Equipment List

Materials

- 2 small disused toys
- 2 earring findings
- 2 oval jumpings

Equipment

- Drill
- 1mm drill bit
- Small needle nose pliers

Making Instructions
